BOW HUNTING GUIDE 2020-2021

The purpose of this program is to **Safely** manage the deer population within the City of LeClaire

No person shall pursue, hunt, kill, snare, net, search for, shoot, stalk, or lie in wait for any game, animal, or bird with an air gun, BB gun, firearm, bow and arrow, or any other thrown or propelled device within the city limits except as provided below.

Licensed bow hunters meeting the requirements established by the state department of natural resources (DNR) may **ONLY** hunt deer within the areas designated as the "LeClaire In City Hunt Deer Management Zones" on public or private property, under all the following conditions:

Each hunter must possess a State of Iowa hunting license and a City of LeClaire Deer Hunting Permit. In order for the permit to be issued, the hunter must agree to abide by the following rules and regulations. Noncompliance with these rules is a violation of LeClaire City Code.

Hunters must pass an authorized archery proficiency test each year with the bow they will use to hunt with in the city. The test will consist of 5 total shots at 20 yards. The hunter must score at least an 80% within an eight inch (5") circle.

Tests must be administered by a member of the LeClaire Police Department or a qualified individual designated by the Chief of Police. *The test will be administered at B&B Shooting Supplies, 2152 State Street or R&R Sports, 3250 Fields Drive, both in Bettendorf, Iowa.* This is the same test used by Davenport and Bettendorf. If you also hunt in either of those cities you will only need to qualify one time. It is your responsibility to make the B&B staff, or the R&R staff aware of which city, or cities you plan to hunt in and obtain from them the appropriate documentation from them.

Prior to being administered the test each hunter must show a valid hunting license, hunter safety certificate (per state requirement), and a signed letter of permission from the landowner listing the name of the hunter and location of property to be hunted.

After completion of the proficiency test and safety course, hunters will be issued a **Special Use Permit** from the LeClaire Police Chief or designee's office located at 325 Wisconsin Street. *Please bring all required documentation with you to LeClaire City Hall!* E.g., (Hunting License, Hunter Safety Card, Proficiency Card from B&B or R&R Sports, Written Permission from Land Owner and your Driver's License, if applicable).

Hunting may occur only on dates designated by the State of Iowa, as bow hunting season, Hunters shall be persons who are at Least 16 years of age. Persons under 16 meeting all necessary requirements listed in this document may hunt if accompanied by a properly licensed adult who also possess a LeClaire Hunting Permit. Only portable stands may be used unless permission is granted by the land owner.

No baiting, driving, or stalking of deer is allowed.
